Application No. 10/552,291	:	DECISION ON PETITION
Filed: October 3, 2005	:	
Attorney Docket No. 87075(307161)	:	

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed September 17, 2010, to revive the above-identified application.

The petition is **GRANTED**.

This application became abandoned for failure to timely submit the issue and publication fees, as required by the Notice of Allowance and Fee (s) Due, which was mailed May 22, 2009. The Notice of Allowance and Fee (s) Due and the Notice of Allowability set a three (3) month statutory period for reply. Extensions of time were not available under the provisions of 37 CFR 1.136(a). Accordingly, this application became abandoned on August 23, 2009. A Notice of Abandonment was mailed on September 17, 2009.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of payment of the \$755 issue and publication fees of \$300, (2) the petition fee of \$810; and (3) an adequate statement of unintentional delay.

37 CFR 1.137(b)(3) requires a statement that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional." Since the statement appearing in the petition varies from the language required by 37 CFR 1.137(b)(3), the statement is being construed as the required statement. Petitioner must notify the Office if this is **not** a correct reading of the statement appearing in the petition.

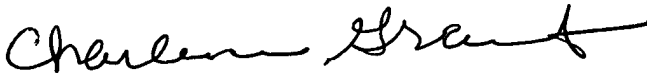

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

Pursuant to petitioner's request deposit account 04-1105 will be charged the \$755 issue fee and the \$300.00 publication fee.

There is no indication that petitioner has submitted a Part B-Fee(s) Transmittal form (PTOL-85). Accordingly, if petitioner desires to have the information normally found thereon printed on the patent, the attached blank Fee(s) Transmittal form should be completed and returned to the Office of Data Management within **ONE MONTH** from the mail date of this decision.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3215.

This application is being referred to the Office of Data Management for further processing.
